

# SPEED TRIPLE

All Speed Triple Accessories are designed to complement the attitude of the bike. From painted parts, to a full suite of carbon fiber and anodized options, the possibilities with this model are limitless.

Create a showpiece Speed Triple in your showroom to demonstrate what's possible.

Start with the Fly Screen, Belly Pan and Seat cowl. Choose from carbon fiber, anodized parts or a combination of the two. From mirrors and rad cowls to heel guards, reservoirs and levers, there are a variety of options to create something special. Tuning options are provided by Arrow with a choice of slip-on mufflers, or a 3:1 race system for off-road use.
