### **BLACKFOOT MOTOSPORTS ANNOUNCES 3 YEAR EXTENSION TO PARTNERSHIP WITH SAIT MOTORCYCLE TRAINING SCHOOL ALONG WITH YAMAHA MOTOR CANADA AND DALTON TIMMINS INSURANCE**

After three successful years partnering with SAIT School of Transportation and Yamaha Canada Canada's Premiere Motorcycle Dealership Blackfoot Motosports pleased to announce they are continuing this partnership with the addition of Dalton Timmins Insurance for the 2018 through 2020 years.

"During the past three years Blackfoot has really made in roads with motorcycle training by partnering with SAIT with there School of Transportation Division and Yamaha Motor Canada by providing new motorcycle riding customers with state of the art training exclusively using Yamaha motorcycles" commented partner Patrick Chambers of Blackfoot Motosports. "We are really pleased to announce another three year agreement as well as our new mutual relationship with Dalton Timmins Insurance.

Southern Alberta Institute of Technology offers new motorcyclists a state of the art training facility located within the Calgary International Airport facility at the Aero Centre. In addition to training new riders they offer refresher courses as well on a diverse selection of Yamaha motorcycles including the R-3 sport – XT250 Dual sport – SV250 Custom – BW50 Scooter – TTR125 Off Road – As well as limited availability on the WR250 Dual Sport – MT07 Naked Sport – XSR700 Sport to ensure all level of riders will be more than accommodated to ensure there is a bike that will fit there needs while doing training.

Our new partner Dalton Timmins Insurance is the leader in Motorcycle Insurance in addition to all other Insurance products they provide offering customers a wide array of options for insuring there motorcycle at more than competitive pricing. They can take care of all your Insurance needs and are providing additional discounts for all customers that successfully pass the training program with SAIT.
